

AcroTeX.Net

**The datepicker-pro Package**  
**A date picker built by Adobe Flash**  
**Builder and AeB Pro**

**D. P. Story**

In this short demonstration file, we present two date field styles, one for the U.S. and the another for German.

U.S.-style: Pick a date: (MM/DD/YYYY)

This is the default style: `\datepicker{PickADate}{1in}{11bp}`

German-style: Pick a date:
